# POST-SECONDARY FAIR

OCTOBER 12, 2022  
WINSTON CHURCHILL HIGH  
4:00-9:00pm

Career Transitions hosts the annual Post-Secondary Fair in conjunction with ELAA (Educational Liaison Association of Alberta) partners and non-ELAA members. This is the **LARGEST** in-person fair of its kind in Southwestern Alberta.

This event is a one-stop-shop enabling post-secondary institutions and students/parents to connect.

It is an open event, with students, parents and teachers able to come and go as desired, speaking to whatever variety of exhibitors they wanted.

Presentations on student finance/scholarships and transitioning to post-secondary are also offered.

Volunteers are needed to help set up, direct traffic, collect participant statistics and clean up. Interested? Sign up [HERE](#)
