

VOLUNTEER OPPORTUNITY

CARDBOARD BOAT RACE

DECEMBER 8, 2022
UNIVERSITY OF LETHBRIDGE
7:00AM-3:00PM

Cardboard Boat Race is one of the most exciting and anticipated events of the year. Given a few sheets of cardboard, a cutting tool and some tape, students work in groups of 4 to construct boats that will hold for both a timed race and a weight challenge.

Volunteers are needed to help set up, move students, watch for building infractions, judge, move boats, time races, move students (and their boats) around the pool and clean up.

Interested? Opportunities to volunteer for the full day or half the day are available.
