CHALLENGE INTRODUCTION

To assess the competitor's knowledge and skills in the installation of a plumbing system with high regard to the aspects of quality workmanship, proficiency of pipe joining techniques and accuracy of work within a specified time frame.

SKILLS AND KNOWLEDGE TO BE TESTED

- Interpreting and applying the blueprint specifications and managing material usage
- Assembly of NPT threaded connections and adapters
- Assembly of pex pipe with standard crimp fittings
- Assembly of copper tube with standard solder fittings
- Bending of 5/8" OD copper tube using mechanical benders
- Applying safe work practices

CHALLENGE DESCRIPTION

Please see the Test Project so competitors can train leading up to the competition. Please note that the attached Test Project may change on the day of the competition.

EQUIPMENT & MATERIALS

To be Supplied by the Competitor:

CSA Approved footwear (must have green triangle)	Suitable clothing/workwear (see more information below)	Calculator (no cell phone)
--	---	----------------------------

***Competitors wearing prescription glasses must bring CSA approved eye protection to wear. Lethbridge College cannot provide attachments or goggles to go overtop.**

To be Supplied by Lethbridge College:

RIDGID 150 copper cutter	RIDGID pipe benders model 310/316mm – cat. #36962	RIDGID tri-stand
Soldering materials	Soldering torch (B tank)	Teflon tape
Pex cutters & crimpers	Cordless drill w #2 Robertson	Measuring tape (Metric)
Water pump pliers	Adjustable wrenches	Torpedo level
Hammer	Combination square	Chalk line
CSA clear safety glasses	Nitrile gloves	Foam ear plugs
Pencil	Marker	Paper

***Tool demonstration will be provided if requested at orientation.**

Competitors may supply and use their own hand tools as per the previous list. Competitor tools must be brought to the competition area in a toolbox. Any hand tool not brought in a toolbox will not be permitted within the competition area. During the competitor orientation at the beginning of the day toolboxes and tools will be inspected by the competition organizers to ensure they work properly, are safe to use, are equivalent to other tools provided by Lethbridge College, and have not been modified.

JUDGING CRITERIA

Accuracy of Installation	50%
Quality of Workmanship	30%
Piping Pressure Test	10%
Safety	10%
Overall Total	100%

TIE BREAKING PROCESS

In the event of a tie, the competitor who completes the project with the fastest time will be declared the winner. If no competitor has completed the project, judges will find additional measurements to break the tie.

CLOTHING REQUIREMENT

Appropriate work clothing must be worn at all times to compete. Long hair must be tied back. All clothing must be neat and clean, and free of rips and tears. Casual wear such as shorts, and open toed shoes/sandals will not be permitted. No loose-fitting clothing or jewelry.

SAFETY

The health, safety and welfare of all individuals involved with South West Regional Skills Canada Alberta are of vital importance. Safety is a condition of participation with Skills Canada Alberta and shall not be sacrificed for the sake of expediency. At the discretion of the judges and technical committees, any participant can be denied the right to participate should they not have the required proper safety equipment or act in an unsafe manner that can cause harm to themselves or others.

CONTEST AREA SPECIFIC SAFETY REQUIRMENTS

CSA approved clear safety glasses and safety boots must be worn within the competition areas. Competitors must wear long sleeve shirts and gloves while soldering.

ADDITIONAL INFORMATION

Lunch will be provided for all Challenge participants, judges, and volunteers. Unfortunately, all allergies may not be able to be accommodated for. Your lunch ticket will be in the back of your name tag.

PARKING INFORMATION & VENUE MAPS:

Please Park in Lot V – there is no charge. Overflow will also be allowed in Lot P. A printable parking map of Lethbridge College can be found at: <https://lethbridgecollege.ca/document-centre/forms/facilities-management/parking-map>
