CAREER TRANSITIONS - YOUR YOUTH CONNECTION

Career Transitions is a not-for-profit, community organization that partners with regional *school divisions*, *post-secondary institutions* and *business & industry* to deliver high quality, experiential career exploration programs and events. Together we will inspire today's youth to become tomorrow's productive and skilled work force and introduce them to the wide range of opportunities that exist here in Southwestern Alberta. Our services are available to over **13,000** students from 67 schools across the region.

BE A SKILLS CHAMPION - BUILD A FUTURE READY WORKFORCE

The Skills Canada competition is designed to support a career awareness strategy that motivates youth to consider trades and technology occupations as a first-choice career option. This one-day event features high school students putting their skills to the test on a real-world project. Your support is critical to the success of this initiative.

By supporting STUDENTS at the South West Regional Skills Canada Competition, you are:

- Demonstrating industry support to students who are currently exploring trades and technology occupations
- Taking steps toward addressing the skilled labor shortage
- Attracting potential future employees to your business
- Highlighting the career opportunities available for students to remain in Southern Alberta
- Investing in the future of Southern Alberta youth

Benefits to your organization:

- Position yourself as an industry leader with both students and peers
- Promote your business and connect with an audience of future employees or clients
- Align your company with other quality businesses that sponsor this event
- Build your reputation for corporate responsibility

BE A SKILLS CHAMPION - BUILD A FUTURE READY WORKFORCE

The HET and Plumbing Skills Challenges are designed to inspire high school students to not only continue on these career paths but to strive for excellence in them.

There are two ways you can help support Skills and the youth from the South West who are pursuing this important trade.

Sponsor the event

- Sponsorship support ensures continued coordination of the event, which includes associated costs such as supplies, materials and manpower
- Sponsorship levels are outlined on the next page

Donate prizes

- Prize donations can support in 2 ways:
 1. Winner prizes for gold/silver/bronze medalists in the challenge
 2. Participation prizes for all participants in the challenge to encourage them to remain engaged in the trade

*All support is acknowledged at the
Awards Ceremony and in the event program.*
