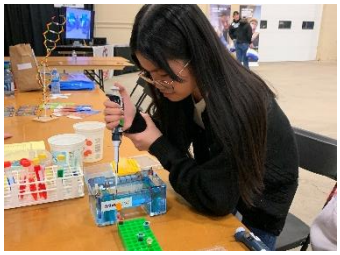
**Career Transitions is seeking new faces for its Board of Directors!**

Career Transitions is a vibrant not-for-profit community organization dedicated to paving the way for the future workforce of Southwestern Alberta.

Career Transitions is committed to inspiring youth through high-quality programs that bridge education and industry, helping students in grades 7-12 discover meaningful career paths. Through strategic community partnerships with schools, businesses, and local organizations, we create transformative experiences that foster exploration, provide real-world workplace exposure, and build the confidence young people need to navigate their future.

Our carefully designed programs connect students with mentors, hands-on learning opportunities, and authentic career experiences that ignite passion and purpose. At Career Transitions, we believe that when communities come together to invest in youth, we unlock limitless potential and prepare the next generation for success in tomorrow's workforce.



## Volunteer Duties

- Prepare, attend, and participate in board meetings, committee meetings, AGM, and special events.
- Listen to others' views, advocate their own, identify common interests and alternatives, and be open to compromise.
- Provide strategic leadership and governance to the organization.
- Collaborate with other board members to set organizational goals.
- Support the Executive Director in implementing strategic initiatives.
- Stay informed about what is going on within the organization, ask questions, and request information when needed.
- Be an ambassador for the organization in a positive, supportive manner.

## Requirements

- Must be 18 years of age or older.
- Commitment to a minimum of a 2 (two) year term.
- Able to meet once per month for approximately 2 (two) hours on the 3rd Tuesday of the month.
- Able to commit approximately 6-`12 hours per year participating in committee work.
- Volunteer support or board member attendance is occasionally requested for special events or projects.
- Additional time requirements vary depending on the time of year.
